

CLUE #1

Are you ready for some fun?
Follow the clues, one by one.
If a treasure is what you seek,
check the spot where you sleep.

CLUE #5

Look high and look low
around the spot where you watch your
favorite show.

CLUE #2

If you're looking for the gold,
Run and check where it is very cold.

CLUE #6

You've almost made it, you're almost
there...
go check the place where you wash
your hair.

CLUE #3

Your good fortune is yet to be seen.
Go look where we get our clothes
clean.

CLUE #7

You'll find your treasure rare
close to the car, but look with care!

CLUE #4

A family table can't be beat,
go to the place where we sit to eat.

YOU FOUND IT!

The lucky treasure is yours.
But before you enjoy it, go do your
chores!
